Speer Spreads Feeling of Fear and Intimidation Among People.

GUILTY OF ILLEGAL ACTS

Witnesses Declare His Manner Insulting Alike to Lawyers and Public.

Savannah, Ga., January 29.—David C. Barrow, collector of the port of Savannah and formerly city attorney, to-day told members of the special congressional committee, which is here conducting an investigation into charges of official misconduct on the part of Federal Judge Emory Speer, that he considered the accused judge unfit to preside over a court of law.

"Conditions in Judge Speer's court, Barrow said, "have been absolutely intolerable. Judge Speer has, by the misuse of his power as a Federal judge spread a feeling of fear and intimi-dation among the people, destroying their independence."

Other witnesses to-day charged that Judge Speer often has been guilty of illegal acts, has imposed unwarranted penalties upon defendants in cases be-fore his court, and generally has conducted himself in a high-handed, ar-rogant manner, insulting alike to lawyers and the public.

Judge Speer was described attorney, who added that the conceit of the accused jurist was "colossal" and his manner "arbitrary and tyrannical."

Mr. Osborne said that members of the Savannah bar had indersed the appointment of Judge Speer to the United Appeals so that he would be transferred to Texas. "Not. he added, "as far away as we would have liked, but far enough to afford us some relief." Mr. Osborne declared that, in his opinion, "the ends of justice demand Judge Speer's removal." Allowed Excessive Fees.

Charges that Judge Speer allowed excessive fees to the law firm of Talley & Heyward, of Macon, Ga., in a bank-ruptcy case, in which he was interested, were made by W. C. Snodgrass,
